

ANSWER THE ALARM!

Barre People Should Not Delay

If your kidneys are inflamed, Don't stay around and do nothing. Like a fire it will soon be beyond control.

You will get the alarm in time—Backache, or dizziness or disorders of the urine.

Heed the warning. Give your kidneys a rest by living more carefully.

Use Doan's Kidney Pills to help stamp out the cause.

Profit by a Barre woman's experience. Mrs. Emma Gay, 8 Harrington street, Barre, says: "We have used Doan's Kidney Pills for years and have always found them reliable. My kidneys were weak, and I had pains in my back. Doan's Kidney Pills helped me greatly."

Price, 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gay had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

Would Speak for Itself.

Farmer Cloverseed had come up to London for a few days. Before he started he had promised to bring his daughter a present, so he went into a jeweler's shop and said to the assistant:

"I want a pair of earrings, cheap but pretty. They be for a present."

"Yes, sir," said the jeweler. "You want something a trifle loud, I suppose?"

"Well, I don't mind if one of them is a little loud," replied the farmer. "My girl is deaf in one ear."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring nature to doing its work. The proprietors have much faith in the curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, O. Annual Meeting Greater Vermont Association.

The annual meeting and dinner and conference of the Greater Vermont association will be held in Montpelier on Wednesday, Thursday and Friday, July 12-14. Inasmuch as the association has initiated a movement for general recognition throughout the year of 1916 as the 125th anniversary of the admission of Vermont to the union, an effort is being made to make the meetings and banquet especially notable through the presence of men of national reputation as speakers, and the attendance of an unprecedented large number of members of the Greater Vermont association and of its constituent organizations, and all citizens who are interested in Vermont development.

Invitations are being sent to the Vermont association in other states, asking them to send representatives to this greater Vermont meeting. In view of the extraordinary nature of the occasion on this anniversary year, the association hopes to be able to hold its meetings in the hall of representatives in the Capitol building.

\$500 FOR CHILD'S LIFE.

Rutland Railroad Held To Be Negligent On Two Points.

Rutland, April 13.—Five hundred dollars was the amount of damages awarded by a jury in Rutland county court yesterday to the administrator of seven-year-old Hildur Johnson, who was killed by a train at the Temple crossing, this city, last September, the defendant in the case being the Rutland railroad, whose tracks the child was passing over when the accident occurred.

In addition to awarding the damages, the jury returned three special verdicts in which they found that the defendant was not negligent in respect to signals by bell or whistle but that there was negligence in respect to the headlight and the lookout on the fireman's side of the

locomotive. The real beneficiary in this case is the mother of the deceased child, a widow with several children to look after. Because of the sympathetic side of the case—the little child killed while alone and unprotected—there was great interest in the trial.

The counsel was Marvella C. Webber and Joseph C. Jones for the plaintiff and Edwin W. Lawrence and B. L. Stafford for the defendant.

FORMED FARMERS' CLUB.

At Meeting Held in Waterbury Center—Mark Moody, President.

Waterbury Center, April 13.—In spite of the very unfavorable weather, about 50 farmers from this district and several from the west part of the town met in Seminary hall yesterday and formed a farmer's club, for the purpose of co-operation in the matter of progress along agricultural lines. Mark Moody was elected president and Carroll Robinson, vice president, with Ernest Newcomb as secretary and treasurer.

The club purposes to hold meetings in conference with the county agent and take up demonstration work with alfalfa, soy beans, lime and potatoes. The dairy interests are also a large consideration and will be taken up in detail.

Jay Corvill, assistant state leader, was present and thoroughly explained the work of the county agent and the purpose of such organization. County Agent F. H. Abbott was also present and outlined in detail the experiments to be carried on.

Much interest and enthusiasm was exhibited, as was evidenced by the lively informal discussion, which was carried on during and after the meeting. It is by this interchange of ideas that the club is going to derive much benefit, and this is only one of the several clubs that the county agent hopes will be formed in the county.
